QUICKLIFT USA

FOUR POST LIFT SERIES

QL7.5KTL
TRAILER LIFT

PRODUCT DESCRIPTION

- 7,500 lb total capacity for compatible trailers and wheeled loads. Include the entire trailer, boat, fuel and equipment in the supported weight.

- Black diamond-plate steel runways. Column-and-carriage design with 118 3/4 in. drive-through clearance.

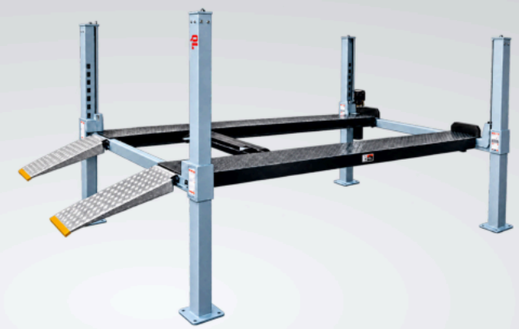

- Adjustable clear runway spacing: 49 1/2-69 1/2 in. Each runway is 190 1/2 in. long and 19 in. wide.

- Manual safety-lock release resets automatically. Mechanical locks engage at preset heights; secondary cable safety devices provide added protection.

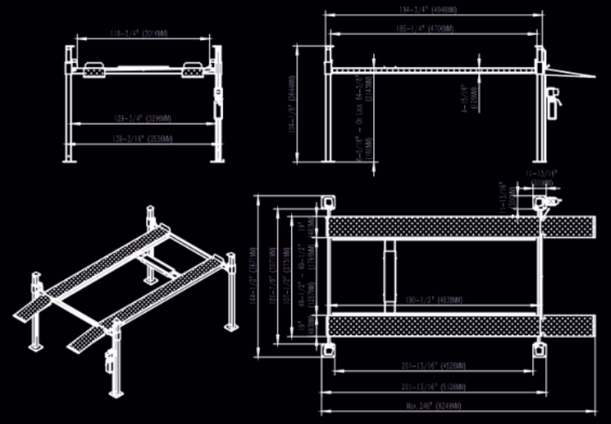

- 84 3/8 in. runway height on locks. Removable aluminum approach ramps are included as standard equipment.

- Two-year manufacturer warranty, excluding wearable parts. Free local delivery within 25 miles of Gilbert, AZ. Nationwide shipping available.
